

Sponsorship Form

Dear Brothers and Sisters,

Our second annual co-ed volleyball tournament is coming up soon and we could not be more excited. The Maids of Athena and Sons of Pericles strive to make a meaningful impact on the community, both locally and around the world. We achieve this by focusing on the SOP core concepts: *Heritage, Service, and Brotherhood & Sisterhood*. Besides the wonderful parea, competition, and kefi, we add a service component to these weekends by donating profits towards our National Project.

The MOA/SOP National Project for the 2022/2023 year focuses on supporting Children's Miracle Network, a non-profit organization raising funds and awareness for patients in over 170 children's hospitals. When participants come to our tournament, they will be educated on the opportunity to support their local CMN hospital and how to raise money for the organization. Additionally, when we receive donations and sponsorships, we move forward in our efforts of donating money to the cause, but also using said money to purchase wish list items and make crafts for the children in the hospital. For more info, head to our website: www.sonsofpericles.org/national-project

The AHEPA Family is stronger when we work together. We gather and educate our members so they may go out and support the community and those who need help. We aim to make education and philanthropy fun, and we hope you will support us in our endeavor. Additionally, we provide advertisement and business opportunities should you choose to take advantage. Please consider one of the mutually beneficial sponsorship levels below by completing the form and returning with payment to AHEPA HQ.

Please feel free to contact me directly with any questions.

Ryan Marinos
SOP Supreme President
