

SONS OF PERICLES MAIDS OF ATHENA YEARBOOK 2020-2021

Sons of Pericles Supreme President Timothy Noitsis

Brothers and Sisters, welcome to the 99th Annual AHEPA Supreme Convention both virtually and in Athens, Greece!

As we reflect on our year, it has truly been an honour to serve as the Supreme President of the Sons of Pericles. I'm sure we can all agree that no one expected the year to be filled with so many different challenges, but I am proud to say we stepped up and were able to work together to overcome these challenges. I am very proud and grateful for my fellow brothers on my Lodge as I can easily say that we have handled these challenges head on and came out stronger, wiser, and more prepared for what is to come.

On a personal note, joining this organization has truly been one of the best decisions I have made, and it just keeps getting better and better. I want to thank everyone that helped make this year a success and we look forward to returning to normalcy as soon as possible.

I would like to thank everyone for attending our AHEPA Family Convention. I wish you the very best and hope you enjoy the festivities and events and have fruitful deliberations!

Committee Report: Supreme Convention

As Supreme President, I have the honour to serve on the Supreme Convention Committee. Although a little different this year, we had to plan virtual and in person events for Supreme Convention in Greece. I have had the pleasure to work directly alongside Grand Vice-President Maria Ana and Executive Director of AHEPA Basil. Between the three, the process of planning our convention has been easy and seamless and I'd like to thank everyone for their hard work and dedication to bring such a fabulous event to life this week. We have been able to plan fun and successful events for our attendees and we are looking forward to enjoying our time with everyone. As a Supreme Lodge, we are here to serve our membership, so if there are any suggestions or tips to improve our convention, please do not hesitate to reach out to us so that we can me everything the best that we possibly can.

Recommendations

Work hard and great things will come. It is important to continue and put the time into this organization now, for our future! To achieve greatness in anything, it requires; faith, vision, hard work and determination.

Spread the word! We are so glad to be a part of this brotherhood and expanding our membership is so important. Get your friends to join and we will show them how great of a time we really do have. We must continue to grow each day!

We tend to forget we joined the Sons to have fun especially with the way the world is today! This organization is very unique, a lot of work goes in to making everything happen but in the end we all need to remember to have fun and things will come easy.

Liaison Reports: Districts 10, 13, 15, 23

District 10 – Michigan

Unfortunately, District 10 currently has no active Sons chapters, however, with the help of the AHEPA Family there is potential for a chapter there soon.

District 13 – Illinois and Wisconsin

Chicago, IL

The Chicago Sons continue to remain active and hardworking. Despite their young age, they are dedicated and have potential to grow rapidly and produce much success in the.

District 15 – Kansas and Oklahoma

Unfortunately, District 15 currently has no active Sons chapters, however, with the help of the AHEPA Family there is potential for a chapter there soon.

District 23 – Quebec, Ontario, Newfoundland, Nova Scotia, Prince Edward Islands, and New Brunswick, Canada

Montreal, QC

Montreal was reactivated this year with the help of our AHEPA brothers. We are excited to see them get back to work and return stronger than ever. Congrats and good luck boys!

Ottawa and Toronto, ON

Due to the restrictions put in place, the Ottawa and Toronto Sons have had a difficult time getting together this past year. Regardless, both are enthusiastic and ready to and anxious to get back to work and connect with their strong MOA counterparts.

Acknowledgments:

Ryan

Thanks again.

Yiannis

Your first year on Lodge I said your dedication to The Sons shows in everything you do, and this has never been more true. The sacrifices you make to better the Order is unparalleled. You have helped make this yet another awesome year despite its challenges. I know it was a tough decision to step away but also know you won't be far. I'm sure you will continue your great work in Calgary and will always be there for international support! I'm going to miss my fellow Canadian. Never change Yian, you're one of a kind!

Dino & Alec – The new guys

What a great first year on Lodge! You both stepped up to the plate for everything that was thrown your way. From a simple excel to keeping us organized to traveling in a pandemic, you've shown your dedication to the Sons and I'm excited to see what comes next! But Alec, please no more calls from the tub.

Dimitris

I know we weren't as close this year given the circumstances, but I know you're always an important figure for the Sons in Greece. Thank you for everything you do and I look forward to connecting in Greece.

SOP Lodge

I expect to see everyone at our next in person event! I miss your faces.

Paul

Thank you for all the support this year and for every question that I had. I know you'll always continue to be there for support.

Stephanie

Thanks again for everything you do because I don't know how you do it. I'm glad I'm top 5 and not named Barnabas.

MOA Lodge

This year was definitely not what we expected but I'm glad we were able to work together and persevere. I am excited to see what the future holds for both orders. Congrats on another successful year!

Proud to be a Son!

Maids of Athena Grand President Theodora Ronstadt

The past 2 years have been unlike any in the past. As we move forward and close out the 2020-2021 year I can see because of the progress that we have made these past years, us being stronger and more connected than ever before.

Maids of Athena Chapters across the United States and Canada have pulled together continuing to create bonds and form relationships even while we continued to be apart and now begin to come together.

The bonds created and kept within this organization are what makes our AHEPA Family unique, and what has helped this organization prosper for over nine decades. I'd like to congratulate all of our members on a highly successful year! This year, the Maids of Athena have exceeded expectations in every sense of the phrase. On the closing of our 90th anniversary of the Maids of Athena, we can recognize that our members remain true to the principles, ideals and the value of Sisterhood that our founding members established.

National Committee Reports:

National Project

Chairwoman: Maria Kanatas

This year the Maids of Athena and Sons of Pericles continued to support the JED Foundation. The JED Foundation is a non-profit organisation that exists to protect emotional health and prevent suicide for our nation's teens and young adults. They partner with high schools and colleges to strengthen mental health, substance abuse, and suicide prevention programs and systems. They're equipping teens and young adults with the skills and knowledge to help themselves and each other. They are encouraging community awareness, understanding, and action for young adult mental health. Together with the Sons of Pericles we created and sold JED t-shirts to raise money for national projects and because of our combined efforts with the sons and our amazing chapters we raised over \$25,000 for this amazing organization.

Presidents Project

Chairwoman: Theodora Ronstadt

Over the past 2 years Girls Who Code, an organization who aims to close the gender gap in technology and to change the image of what a programmer looks like and does while building the largest pipeline of future female engineers, has been my president's project. We have raised over \$5000 with the help of all of our amazing chapters hosting virtual fundraisers to show support for this amazing organization in addition to selling our MOA lipsticks.

Liaison Reports - Districts 21, 25

District 21 - Golden State District (Northern California)

Ismene Diana #163 - San Jose, CA

Chapter President: Andreana Argyres

This year the Ladies of Ismene Diana had a great year! They have consistently had meetings, events, and submitted all forms. I look forward to seeing what they do this next year once we can meet again in person!

Eleftheria #278 - Stockton, CA

Chapter President: Alicia Gavrilis

This year I had the privilege of helping reactivate the Eleftheria chapter in Stockton, CA. Throughout this year they have had fundraisers for Girls Who Code, hosted meetings, and held events. I'm so excited to see what these young women have in store for next year!

District 25 - Hellas District (Greece)

No Active Maids of Athena Chapters

Acknowledgements:

To MAP: MAP, I am so lucky to have had such an amazing woman by my side these past 2 years. I enjoyed every moment of it and although I am so sad that my presidency and time on lodge is coming to an end, I cannot wait to see the amazing things that you do next year!

To Mary: Mary! I am so happy that we got to work together this past year. You are truly such an amazing person and your passion for the maids is everlasting. You put everything that you have into the work that you do and have some of the best ideas to bring the Maids to the next level. I can't wait to see what you do over the next few years!

To Maria: Maria, thank you for trying your best this year and trying to work as a team.

To Rigo: Rigo, you always have an amazing attitude and have my back in any situation. Thank you for everything you did this year!

To Kathy: Kathy, thank you for all of your help, input, and always having our back with everything this year!

To my Liaisons: Thank you to all my liaisons for learning with me, teaching me, and hosting me (virtually) in all of your cities. I love all you amazing young women!

Sons of Pericles Supreme Vice President Ryan Marinos

One day we will look back on this year, the 99th year of AHEPA, and say to ourselves, “we made it.” Some companies have shut down and other organizations were dismantled, but here we are. We have learned new skills, adapted techniques, and found new resources to keep our organizations afloat during unprecedented times. Now, as the pandemic curtails and we are preparing to return to in-person events, I cannot wait to use these tools to celebrate this century and the next of the AHEPA Family. Whether you are reading this while cozy at home during your virtual convention, on the floor of the Grand Bretagne, or somewhere long after we celebrate 99 years, I hope this message finds you well and in good spirits. Cheers to 99 more!

Committee Report: Membership

Despite any setbacks membership may have faced as a result of the pandemic, the growth and spread of our organization was not halted. As you read the reports from my brothers and myself, I hope we give you hope for the future. A global pandemic was unable to stop us from reactivating chapters, reinstating old members and initiating new ones. We were able to retain 90% of our numbers from last year. I am proud of my fellow Lodge members, but I am more impressed with the chapters and members taking the initiative to search out new members, restart their chapters in support of the Order. Witnessing the stamina of our organization through its trials and tribulations assures me there really is light at the end of the tunnel.

Liaison Reports: Districts 1, 3, 12, 14, 16

District 1

Adelphi 86 - Atlanta, GA

My home chapter, the place I was molded by PSP Greg. I wish I had more to say about Atlanta, but with everyone spread out for college and work, I am just glad the PSP influence is back home to encourage the chapter’s resilience. Next year’s report for the 100 will be different!

District 3

Victory 123 - Charlotte, NC

My lovely neighbors to the east! Probably my most active chapter, and for good reason. Maybe we took a page from your book, or you took a page from ours, but I have appreciated the updates and effort I see you boys put in. We use you as an example of a successful chapter and I hope to see even more wonderful things in the years to come.

District 12

If you or someone you know has any idea of the whereabouts of Sons in D12, please report them to 1-800-GOT-SONS. I am kidding about the number, but I would love to hear from D12!

District 14

I am starting to think our Supreme President Timothy Noitsis is stealing all the Sons in Northern USA to boost his Canadian numbers... will report back. Until then, D14 I am looking for ya!

District 16

#135 - Austin, Texas

Y'all... I have been trying to get this chapter back active for over two years now and this year, of all years, it happened. I am so excited to have y'all reinstated and back into the fold. Costaki, I am thoroughly pleased with the work you have put in so far, and I cannot wait to see the new heights you bring this chapter to. See you soon!

Next stop: Houston!

Acknowledgements

Tomithy: Oh boy. The fact that you called me as I typed this up and I experienced the entire spectrum of emotion within minutes on a call with you really speaks to me. You stress me out more than anyone else I know, and I am sure I return the favor; so, at least we know we are on the same page. Brother, it has been such a pleasure to be on Lodge with you for the last three years of my life, I hope we can have one more go around when we can actually do things and you can spread your wings like the beautiful Canadian Goose you are. Give me some good stuff to actually acknowledge next year, eh?

Dino: I remember texting you and calling you about your interest in the Lodge. I bet you did not see a year like this coming. You did well. I am glad at least one person on Lodge is relatively organized and knows how to stay on track during a meeting. Your honesty and truth-speaking is refreshing and appreciated. Ready to see your second year on Lodge! Let's make it a great one.

Yian: Since y'all don't have summer up in America's Tophat (or tuque), does that mean you don't have summer reading? Or is it just called Warm Winter Schoolwork? Regardless, here in America most schools have its students pick out books to read during their breaks. Some time in elementary school (primary school), I read *Because of Winn-Dixie*, and I learned a new word: melancholy. In the book, there is a candy called "Littmus Lozenges" which someone created after returning from war, wanting something sweet in contrast with the tragedy of the war. The candies were said to be a special hard candy with a touch of sadness. People eat them and they taste root beer, strawberry, and sorrow. Typing this acknowledgement is what I imagine eating a Littmus Lozenge would be like: sweet, wonderful memories to look back on while also dealing with the reality of your absence. Your energy is contagious, and there is no one I would rather be trapped in a room with, counting money and driving each other crazy over numbers, more than you and Timbit. I still owe you a trip to Hollywood Studios, so let this corona mess clear up and you just fly on down, I will meet you there. If I just looked up some book I read before fourth grade (grade 4) just to get to a point, you best believe I'll skip a couple days of grad school for your handsome mug. For you, I will not say goodbye, but "See Ya Real Soon!"
You know I love you and wish you the best. Godspeed Brother.

Alec: It is very clear the potential you have as a Son. You blew the doors off the hinges pulling out of the gate this year and to be honest, none of us have really caught up with you since. It has been absolutely thrilling watching you work and reap what you have sown. You will be the one to take the Sons to new heights, and I really think you're an all-around swell guy. I would say keep up the fantastic work, but while typing that you have probably superseded your previous efforts in your journey to strive for more. I am enthralled by your accomplishments this past year, and I am ready to rock and roll with you in future. Let's keep the party goin!

Stephanie: In the list of people I talk to on the phone by amount of time on average, you are second only to Timantha. I do not know how you find enough time in the day to support the entire AHEPA Family, but you pull off an incredible feat. I am positive no one else could do at the same caliber. You keep us in order and you keep it real, foundations of what any group of people really need. Maybe by my fourth year on Lodge I will start asking better questions and be more efficient like you. In all seriousness, this message comes from gratitude as much as it does acknowledgement. Thank you for everything, thank you for being you, thank you for your patience. You are actually the best, and I adore you. Stay magical!

Damn Proud!
See everyone at Disney World!!

Maids of Athena

Grand Vice President Maria Ana Pantelous

*Dear AHEPA Family,
Brothers and Sisters, welcome to the 99th Annual AHEPA Family Convention in Athens, Greece!
Although this year, the Sons and Maids held their own virtual convention in weeks prior and sent representatives to the convention in Athens.*

Perseverance is the secret to all triumphs. During a time when we had to remain socially distant, our chapter leaders – and young professionals – rose to the challenge and found new innovative ways to stay active and connected. We had our Brooklyn sisters set up their own virtual yoga session and charged for admission. Our District 11 lodge hosted their own virtual wellness retreat which allowed sisters in the district to meet one another while learning about mental health. The Toms River sisters held a similar seminar regarding mental health and our faith. Our Cherry Hill and Houston sisters hosted virtual walk a thon where they raised money for our national project. These were just some of the impressive ideas just to name a few. Hard work does not go unnoticed in or Order, and we all applaud their achievements!

Above all, the accomplishments of our members never cease to amaze and inspire me. I wish all our four Orders continued passion, commitment, and love for the AHEPA Family.

Growth & Expansion

This year's G&E looked a little different – by that I mean that it was organized so that chapters can participate in each activity safely and to conduct their own business as they deem necessary. Chapters got creative with their challenges and found their own voice through remote events. The goal of this year's G&E was aimed at exploring the principals and ideals of our Sisterhood, while working towards establishing a stronger and more stable chapters during a time when members started losing interest. I am happy to report that our engagement and participation lasted throughout the whole year for our chapters.

Sister City

The Sister City program was a fantastic new program for our chapters this year. It helped unify our chapters during a time when they were all apart. A variety of challenges were introduced in September, and the chapters had all year to work together and complete them. It gave each Sister City chapter an opportunity to show case their own cites and be able to network with the other chapter. Towards the middle of the year, participation started to dwindle, but the chapters that did participate all the way to the end received an award for their achievements!

Website Report & Online Store

The website continues being a resource for our chapter leaders and members. This year we upgraded our website package and included a real online store where members can purchase our ritual and paraphernalia directly on the website. It was a huge success! Not to take away from the treasurers' report, but this online store became our focal point in fundraising money for this year's national project by selling our t-shirts. Our Grand Lodge treasury also benefited from members adding more paraphernalia items to their cart.

Scholarship

The submission process to this year's scholarship was improved by providing an option to submit applications electronically. There were no major edits or additions made.

Ritual and Paraphernalia

Last year we made the effort to add jewel collars to our Maids of Athena Online Store. This year we decided to promote them more on our social media platforms. We had to restock our Pi Alpha membership pins, as they were a number one hit item sold in our online store.

Liaison Report - Districts 1, 2, 7, 8, 16, 17

Mother Lodge District 1 (South Carolina, Georgia, Mississippi, Alabama, Tennessee)

Delphia #93; Greenville, SC

Chapter President: Zoe Gandis

Chapter Advisor: Stasia Bakaes & Marianthe Richie

Number of Members: 8

Number of New Initiates: 0

The Greenville chapter was reactivated in the beginning of 2020 and had high enthusiasm for our sisterhood. The chapter set out plans for the remainder of the year but unfortunately never had the opportunity to experience a true full year of in person events and sisterhood. Next year will be a year of rebuilding for the chapter as a few members are moving away, and new leadership on the horizon. My hope is for the chapter to find their rhythm again next year.

Citrus District 2 (Florida)

Epiphany #111; Tarpon Springs, FL

Chapter President: Evelyn Bilirakis

Number of Members: 9

Number of New Initiates: 4

The Tarpon Springs chapter had an exceptional year under the strong leadership of Worthy Maid Evelyn Bilirakis. Members of Epiphany found creative ways to participate in Growth and Expansion projects and become prominent leaders in their community. The chapter made their mark in their community this winter by hosting a very successful, first ever vasilopita sale. Additionally, to help establish a foundation for their chapter treasury, they held a business fundraiser where a portion of the proceeds that evening was donated to the chapter. The Sisters are regularly involved in their community and enjoy participating in local events. I am very proud of their leadership and mentorship in their chapter and hope they can continue the positive momentum into next year.

Olympia #201; Clearwater, FL

Chapter President: Nia Koufagazos

Number of Members: 0

Number of New Initiates: N/A

The Clearwater chapter success was impacted greatly during this past year's inability to get to gather in person. They struggled to maintain with virtual meetings and with most of their members being in school online. The chapter was able to host elections at the end of the year and decided on new leadership. My hopes are that with the new year, some strong members will step up and take more initiative for the future of the chapter.

Adelphi #279; Tallahassee, FL

Chapter President: Stephanie Owens

Number of Members: 5

Number of New Initiates: 0

The Sisters of Adelphi #279 at Florida State University were faced with many challenges this year, including the university not holding in person classes for most of the year. With students not present, it was difficult for the chapter to recruit members and participate in events. However, they did their best in sending representation to our national virtual events that were hosted throughout the year. If all goes well with student activities on campus next year, there is a bright future ahead for this chapter.

Yankee District 7 (Connecticut, Rhode Island)

No Active Maids of Athena Chapters

Bay State District 8 (Massachusetts)

No Active Maids of Athena Chapters

Delta District 16 (Texas, Louisiana, Arkansas, Kansas, Oklahoma, Missouri)

District Contact: Peggy Polydoros

Rhodanthi #41; Houston, TX

Chapter President: Mary Polydoros

Chapter Advisor: Chrysi Polydoros

Number of Members: 26

Number of New Initiates: 2

The Maids of Rhodanthi #41 continue to show impressive leadership under Chapter President Mary Polydoros and her board members. With dedication and enthusiasm, the Houston chapter found creative ways to participate in Growth and Expansion projects, complete their Sister City challenges with Toronto, and supported both the Grand Presidents Project and National Project. The chapter hosted a successful "Journey to Athens" fundraiser walk, where participants logged the number of miles they walked and set up a donation tab on their website. The chapters ways and means committee hosted a Christmas door hanger fundraiser to raise funds to sponsor a family whose child is going through cancer treatments. The committee purchased Christmas gifts and decorations to bring that family some holiday cheer! The chapters entertainment committee hosted their annual Maidsgiving for Thanksgiving and organized a sisterhood event to see the holiday

lights at the Houston Zoo. This year, the sisters decided to shine some spotlight on their members and introduced their Maid of the Month campaign, where each month they highlighted the success and achievements of each of their chapter members. They enjoyed documenting all their events on the chapters Instagram @moahouston. I look forward to seeing what more they will accomplish in the coming year.

Athena Constance #112; Dallas, TX

Chapter President: Allie Stevens

Chapter Advisor: Vanessa Stevens

Number of Members: 16

Number of New Initiates: 7

The sisters of Athena Constance #112 were led by their chapter president Allie Stevens. In the beginning of the year the chapter was able to put together 35+ hygiene bags that were donated to the IOCC. Additionally, the chapter welcomed seven new members into our sisterhood. They enjoy documenting their success on their chapters Instagram account @moa_dallas_tx. I can't wait to see what this chapter accomplishes in years to come!

Xenia #281; Austin, TX

Chapter President: Eirini Skevofilax

Chapter Advisor: Teresa Skevofilax

Number of Members: 0

Number of New Initiates: N/A

The Austin chapter has not been as active this year as in year's past. They are working on generating new interest in the organization. There is room for so much room for potential with these young ladies being dedicated to making a difference in their community. Hopefully they will rebound with the efforts of their local Daughters chapter.

Silver District #17 (Colorado, Idaho, Montana, New Mexico, Utah, Wyoming)

Corinthia #160; Denver, CO

Worthy Maid: N/A

Total Members: 5

Total New Initiates: N/A

Dues were remitted to Headquarters at the time this report was written. Additionally, there was no communication from the chapter during the year.

Nike #275; Albuquerque, NM

Worthy Maid: Nectaria Kurth

Total Members: 0

Total New Initiates: N/A

The Nike chapter in New Mexico found that it was in their best interest to fold the chapter this year. The chapter submitted the appropriate paperwork, documented all chapter paraphernalia and treasury in hopes of one day reactivating.

MOA Lodge: This year has been a roller coaster to say the least, but I am thankful to each of you for making the ride that much more enjoyable! Although we may not have been able to meet in person this year, that did not stop us from putting our best foot forward and promoting our Orders success. This yearbook reflects our chapters success through the hardest of times, and I am forever grateful for this amazing leadership to pull us all together when we were all apart. My hope is that you all continue to remain active in this organization in whatever capacity it may be. Cheers to a dynamic year!

Theo: What a ride! To the person who convinced me to get an iPhone, thank you for all the face times, phone calls, and text messages. I’m sure we could talk for hours if we had to. I loved seeing little Franklin too. Thank you for guiding us these past two difficult years. I’m so proud of all we accomplished together. It was a pleasure being your VP! Thanks for all you have shown me!

Kathy: Working with you these past two years has been an absolute pleasure! You helped us reach goals that would not have been possible without your guidance. Thank you for all your endless support!

Family: Thank you for being supportive of me through my journey on the Grand Lodge this year. I know it has not been easy, but I appreciate all of you for being my rock.

Demetra #33: To my home chapter, thank you for your endless support these past few years. My journey and accomplishments in the Maids of Athena are because of you. Can’t wait to see what more you will accomplish. Looking forward to the next chapter ahead!

Sons of Pericles Supreme Secretary Dino Giallourakis

Brothers and Sisters, welcome to the 99th Annual AHEPA Family Supreme Convention! This past year I have had the honor to serve as the Supreme Secretary after serving two years on the District 2 Lodge. Our goals for this year were simple: heritage, service & brotherhood. We set for an ambitious year to work with our members, chapters and districts to continue the awesome legacy of the Sons of Pericles and AHEPA Family. As we reflect back on this year, I hope it shows how hard we have worked through this unprecedented time to keep our members and the fraternity connected and still productive! Wishing everyone in the AHEPA family good deliberations and a great time planning for this upcoming year!

Committee Reports: Public Relations/Communications

As Supreme Secretary, I was responsible for sharing the message of our order with our chapters, districts, other AHEPA Family members, and all others outside the Order. Sharing the different projects and accomplishments of our chapters is incredibly important so we can display the work they have done for their community and potentially recruit interested young men from around the United States, Canada, and Greece.

Social Media:

Working off the success of my predecessors, I continued to run our various social media accounts to reach out to as many people as possible. Social media has helped us connect more directly to our members. On Instagram alone, we have been able to reach thousands of members with each post and hundreds of members with each story. Working to run and keep the Instagram current was a tremendous effort and I want to thank the chapters and members who made it easy by tagging our account or sending us pictures of their events! Likewise, on Facebook, we have been able to reach out to a wider audience within the other AHEPA Family Orders. Our posts and updates reached thousands of more people with each post. LinkedIn has been utilized for several years as a professional networking resource for our members. Although we had not posted as actively on this platform, we still were able to reach hundreds of people through our updates.

Website:

The Sons Lodge really did a great job collaboratively editing the website, sending out our Newsletters, and drawing traffic to our different events and activities throughout the year. Throughout last year, we connected to over two thousand unique visitors from the United States, Canada, and Greece! We've also had a global reach, as we've seen visitors from countries like Great Britain, Australia, and Cyprus. From our Newsletter, we were able to reach over thirteen hundred subscribers and further promote our Order!

Liaison Reports: Districts 2, 11, 20, 21

Florida, Ohio, Arizona, California, Nevada

District 2 kicked off the year with their AHEPA Family gathering to install the incoming officers. This year brought new faces and leadership to the lodge and I could not be more proud of their achievements this year. They worked tirelessly to connect to their chapters around Florida and continue to remain active. They hosted a Fantasy Football tournament and March Madness bracket that was used to raise some money for our National Project. Members participated in the AHEPA Family's Global Fishing Tournament and Greek Nights, and Service Projects to feed the needy, and collaborated with Greece200 to discuss how the Bicentennial of the Greek Revolution for Independence. On chapter levels, they also saw an increase in membership and growth of Sons in Ft. Lauderdale, Gainesville, Orlando, West Palm Beach. Our three strong chapters of Tallahassee, Tampa, and Clearwater continue to help anchor the district. The growth of Sons in Florida has been an incredible witness. I could not be more proud to call District 2 my home district! They concluded the year with a small meeting at the District 2 AHEPA Family Convention in Mt. Dora, FL. We discussed how to connect to members we have lost touch with, and the need to focus on chapter growth in the upcoming year. I was fortunate enough to install incoming District Governor George Sofikitis. I look forward to the work George and the rest of his lodge will do this upcoming year!

District 11, 20, and 21 were less active than our Florida chapters, but communication was one of our biggest successes. I was able to maintain constant contact with the Chapter Presidents from Dayton, OH, and Fresno, CA chapters. I was also able to make successful inroads to the AHEPA Family in those districts and look forward to the work we can do to grow the Sons in those regions once again!

Acknowledgements:

Tim Noitsis: I was incredibly honored when you and Ryan asked me to run for a position on the Supreme Lodge. Working with you this year has been an incredible experience. It was something I was and wasn't ready for but, through your help I think we made it a successful year!

Ryan Marinos: You made my first year on lodge an interesting one! You are a great leader for our Order and everyone can see the dedication and compassion you have for it! I look forward to working with you again in the future.

Yiannis Kanatas: Although I didn't work as closely with you this past year, I had a lot of fun on every zoom call and lodge meeting. I can't wait to see what the future holds!

Alec Economakis: My D2 Brother! I had a great time being the newbies on lodge with you! Being able to bounce ideas off you and work to connect our Brotherhood has been an awesome experience. Your dedication to the Order and willingness to jump into anything is extraordinary! I can't wait to see all that you can accomplish in the future.

Dimitris Raptis: You have helped us reach out to our Brothers in Europe and without you our chapters in Greece would be nothing! I look forward to seeing what you do for the AHEPA Family in the future!

To the Lodge: I can't wait to see all of your faces in person!

PSP Paul Pavlakos: How can I thank you for being such a great mentor and Brother to me? You've helped coach me in every position I've held in the Sons and for that I am eternally grateful! I am thankful you thought of me for both the District 2 Lodge and Supreme Lodge and couldn't be happier that you did. Being on Lodge has been a great experience, and I know you're always there to field questions through.

MOA Lodge: Ladies, it has been an interesting year but I thoroughly enjoyed working with each and every one of you! As the resident librarian, thank you so much for including me in the Book Club, I enjoyed reading and discussing those books! Theo, you have been a great mentor for me on Lodge and being able to use you as a sounding board was great! Good luck in all your future endeavors! MAP, Mary, Maria & Rigo, I can't wait to work with you all in the future!

District 2 AHEPA Family: To my brothers and sisters in Florida, I am so blessed to call District 2 home. You have been incredible this year! I can credit the guidance of the AHEPA and DOP to my successes in the SOP. Being able to represent the Supreme Lodge at the District 2 Convention was the highlight of my year! I look forward to working with you again to see what we can do for our Youth Orders! And to my SOP Brothers in District 2, you have continued the long tradition of D2 Excellence! George, I can't wait to see what you and the new lodge has planned in the future, and I can't wait for the next D2 Greekend!

Michél-Gabrielle Legato: To 1/3 of the "dream team", I am so happy to have met you! We became fast friends and who knew that three years later we can still easily have hour long phone calls! Thank you for motivating me to run for Lodge and for all your advice! This year would not have been as successful as it was without you! Although I did miss seeing you at Albany's Valentine's Dance and our annual trip to Disney, we will have to make up for that this coming year.

Stephanie Maniatis: To the lady who makes everything we want to do successful! Your help at HQ is incredible, thank you for having all the answers, and responding to every email like it was a priority! Your dedication to the AHEPA Family is incredible! Thank you for everything you do!

And as always, **Proud to Be a Son!**

**Maids of Athena Grand Secretary
Mary Bellissimo**

Dear AHEPA Family,

Congratulations to all members of the AHEPA Family on another successful year. Despite the many challenges faced throughout this pandemic, our chapters adapted and found new ways to function virtually. I commend them for their hard work and for not giving up this year. My first year on lodge may have been different than expected but it was definitely one to remember. I hope that we will meet again in person next year and get back to doing all the things we love, especially travelling to see one another!

Social Media Report

The MOA Instagram, Facebook and Twitter pages remained active this year to inform our followers of what we were up to, especially since everything happened online. We were able to get the word out about our fundraisers, events, and meetings as well as promote our chapters' virtual events, and highlight accomplishments such as chapter reactivations and our 90th anniversary.

AtheNEA & Liaison Emails

Our quarterly newsletter the AtheNEA was sent to all members and served as a great tool to highlight our chapters' accomplishments and promote our National project and Presidents' project fundraisers. Our chapters submitted nominations for our 'Sisterhood Spotlight' section where we give shoutouts to sisters who have gone above and beyond for their chapters this year. In our 'Chapter Spotlight' section we feature chapters who showcased our MOA goals and principles.

Our monthly liaison emails were sent at the beginning of each month to all chapter presidents and advisors to communicate deadlines and reminders for the month. These monthly emails also include updates on our projects and programs, such as growth and expansion and sister city. These emails kept our chapter presidents informed and maintained strong communication between the Grand Lodge and our chapters.

Website Report

The website was updated frequently throughout the year with up-to-date chapter resources, helpful tips for online meetings, and the addition of a page dedicated to dual membership. Our website is our number one resources for our chapters to stay organized, follow the correct procedures and get all forms submitted on time. Since all our events and meetings took place online, we created dedicated pages for each one to make it easy to sign up which resulted in large attendance from our membership. We also had the addition of an online store to our website thanks to Grand Vice President Maria Ana who took the lead on that project.

Liaison Reports - Districts 3, 4, 5, 9, 11

Capital District #3 (DC, Maryland, Virginia, North Carolina)

Muses #22; Washington, D.C.

Chapter President: Alexa Calomiris

Number of Members: 16

Number of New Initiates: 13

The Muses #22 chapter was reactivated on October 8, 2020. They've been able to host meetings over Zoom, which I have attended, as well as a rush event at Rocklands Farm. They had a joint meeting with the local DOP Hermione #11 chapter to meet and brainstorm ideas for joint events in addition to initiating 5 girls as dual members. They haven't been able to do much yet due to covid-19 restrictions, but they have many ideas for future events including a food truck fundraiser with the DOP. Since many of the girls are in grad school or are young professionals in the workforce, they want to put together a networking event for high school students to answer any questions about planning for their future. Despite starting their chapter during a pandemic and mostly operating remotely they have had a great start thanks to the strong leadership of Alexa.

Power District #4 (Pennsylvania)

Ariadni #243; Upper Darby, PA

Chapter President: Demetra Karapalides

Number of Members: 21

Number of New Initiates: 5

The Ariadni #243 chapter met monthly over zoom and hosted virtual events and fundraisers. They had a successful Instagram/Venmo fundraiser for Susan G. Komen Breast Cancer Foundation and a cookie dough fundraiser. Although they did not submit progress reports, the chapter would provide updates over email whenever requested. Overall, the chapter had a good year.

Garden District #5 (New Jersey, Delaware)

Erectheion #23; Trenton, NJ

Chapter President: n/a

Number of Members: 0

Number of New Initiates: n/a

After not hearing from this chapter for months, we received a letter on November 4, 2020, from the chapter president and advisors regarding the decision by the members to close the chapter. The remainder of funds in the chapter bank account was transferred to DOP Altes #163 to hold in trust for a future MOA chapter, should they reactivate.

Demetra #33; Cherry Hill, NJ

Chapter President: Stavroula Horiates

Number of Members: 22

Number of New Initiates: 4

The Demetra #33 chapter has remained very active this year. They have not let the pandemic stop them from hosting their annual events and fundraisers and instead have adapted them to fit their new normal. In the fall, they visited a pumpkin patch, hosted a Maidsgiving event where they collected non-perishables and donated them to a local food pantry, had a Christmas wreath fundraiser and put together blessing bags for the homeless. They are participating in Sister City challenges, and they initiated 4 new sisters, in addition to having an initiation ceremony for dual members. I attended their November meeting where they discussed many events for the spring. They planned to donate to the MS Walk, in addition to participating. In the New Year, they got together and made friendship bracelets and collected and donated feminine hygiene products to a local women's shelter. They also hosted a very successful 2-week step challenge fundraiser with proceeds going to our national project. At the end of year, the chapter was able to donate \$600 to our national project, the JED Foundation and \$300 to our president's project, Girls Who Code. This chapter did an outstanding job this year!

Hara #240; Clifton, NJ

Chapter President: Maria Pantazis

Number of Members: 12

Number of New Initiates: 0

The Hara #240 chapter started the year off visiting a vineyard with their local DOP chapter and going apple picking. They also held a successful second annual pumpkin pie fundraiser. I attended their meeting in November where they discussed ideas for virtual events including games nights and a Christmas party. The chapter got together to make sandwiches for a local shelter each month and volunteered regularly at their church. Some highlights include singing in the church choir, helping with the Greek Festival, making palm crosses for Easter, cleaning the church and teaching Sunday School. This chapter had a great year, keep up the great work!

Xarisa #280; Toms River, NJ

Chapter President: Marielle Marlys

Number of Members: 16

Number of New Initiates: 8

The Xarisa #280 have become much more active this year compared to the previous year. They held regular meetings and social events over Zoom and they had a successful gingerbread contest fundraiser during the Holidays. President Marielle has been working diligently to increase their membership. They kicked off the year with an information session for potential new members and were able to initiate 8 members this year. I attended their meeting in February where the chapter brainstormed virtual social events on Zoom. They held a virtual games night in the new year and virtual slumber party in the spring. The chapter organized a guest speaker event called 'Taking Care of Your Mind & Soul' to discuss the intersection of mental health and our orthodox faith which I had the pleasure of attending. To close out the year the chapter donated items to Dottie's House, which supports survivors of domestic violence and held an end of the year sunset pizza dinner on the beach. I'm very proud of this chapter, they did amazing this year!

Northern New England District #9 (Maine, Vermont, and New Hampshire)

No Active Maids of Athena Chapters

I met with the DOP District 9 MOA Advisor in the fall to discuss the possibility of reactivating a chapter in the future.

Buckeye District #11 (Ohio, Kentucky, West Virginia)

Aurora #67; Cincinnati, OH

Chapter President: Nina Heister

Number of Members: 9

Number of New Initiates: 0

This chapter was not very active this year. They did not communicate with me or the district lodge, nor did they submit any reports.

Lita #73; Canton, OH

Chapter President: Alexa Nastoff

Number of Members: 13

Number of New Initiates: 2

The Lita #73 chapter went to see Christmas lights together and has been meeting over Zoom. They had a slow year but I'm sure things will get back to normal again next year when they can meet in person again.

Venus Maliea #129; Dayton, OH

Chapter President: Persephone Powers

Number of Members: 15

Number of New Initiates: 0

The Venus Maliea #129 chapter hosted monthly Zoom meetings. Their chapter project was Hannah's Treasure Chest, and they sponsored a baby shower in the fall by donating drapery, clothing, toys and other baby supplies as well as adopting a family over the holidays. They also painted Christmas ornaments over Zoom. The chapter made 38 valentine's cards to bring joy to the elderly shut-ins in their community. In the spring they volunteered by cleaning their church before Easter and they went out for ice-cream to close out the year. Although they are not very communicative with me or the district lodge, they remain very active. I would encourage them to start an Instagram to showcase all the great things they do!

Elpitha #274; North Royalton, OH

Chapter President: Marina Tsirambidis

Number of Members: 8

Number of New Initiates: 5

Chapter president Marina has been working hard to get this chapter back on their feet. She recruited 5 new girls to the chapter and held the initiation last the summer. The girls met regularly on Zoom and held several virtual raffles to raise money for our National project and President's project including their 'Bling on the Code' fundraiser for our President's project, Girls Who Code. The chapter is doing great thanks to the strong leadership of Marina!

Epsilon Tau Alpha #72; Louisville, KY

Chapter President: Lea Schenk

Number of Members: 7

Number of New Initiates: 0

I have not received any communications from this chapter except regarding paying dues in the fall. The chapter was started just before the pandemic hit and they never really had a chance find their footing. I hope that they will be able to meet in person in the fall and start hosting some events and recruiting more members.

District 11 Lodge

District Governor: Ally Tsenekos

The District 11 Lodge has been very active. DG Ally sent out regular newsletter updates to the chapters and communicated with me often. I attended a few of their meetings and events including their virtual 'Love in Pi Alpha' event as well as a virtual wellness retreat in support of our national project the JED Foundation. In June, I attended their virtual district convention where they elected a new District Lodge. The district lodge struggled with some of the chapters not communicating with them but despite this they continued to host events and they did a great job!

Acknowledgements

MOA Grand Lodge: Congratulations on a job well done! We were faced with many challenges, but we overcame every obstacle and had an amazing year. Couldn't have imagined a better team to pull it off. Looking forward to next year!

Theodora: Thank you first and foremost for appointing me Grand Secretary last summer! I am so grateful that you chose me to serve on the Grand Lodge alongside you. Who would've thought that when we met in 2017 at the inaugural Maid to Lead Conference in D.C. that we would end up here just a few years later! You did an outstanding job as Grand President these past two years and I look forward to when we can celebrate your accomplishments at your testimonial. It's been a pleasure working with you and I wish you all the best in the future.

Maria Ana: Thank you for showing me the ropes this year! Jumping into the role of Secretary during a pandemic was a lot to take on but luckily through many long calls and facetimes you showed me how everything is done! I look forward to working with you and being your right-hand woman as you take on Grand President next year.

Maria: My Canadian sister! It's been great having someone on the Grand Lodge to relate to and I look forward to when we can meet up at Pearson airport again and travel to our next event – hopefully we won't miss any more flights!

Rigo: It's been fun working with you this year. You always light up any room you are in and I'm looking forward to making more memories like we did in Seattle before the pandemic!

Kathy: Thank you so much for your support of the MOA Grand Lodge this year. You are truly a model of what an advisor should be. You are caring, dedicated and always have our back in any situation. You will be missed next year!

Stephanie: You are such a huge help to the MOA and I appreciate all the work that your do for us. Thank you for always being there to answer my questions!

Liaisons: Thank you all for welcoming me with open arms to your virtual meetings and events. It's been great getting to know you all this year. I'm so proud of you all for your hard work and dedication. This year wasn't easy but I know you will accomplish great things next year.

Sons of Pericles
Supreme Treasurer Yiannis Kanatas and Supreme Governor Alec
Economakis

Brothers and Sisters from the AHEPA family, it is a pleasure to be able to inform you of the accomplishments achieved through an abnormal year. Despite the issues going on around the world forcing our lodge to resort to virtual events and meetings, our goals were still ambitious as they always have been. Upon reflection, we can confidently call this past year an unprecedented success in the midst of a worldwide pandemic. Regardless of the challenges faced, our lodge as a whole overcame each obstacle to both strengthen the Order and preserve Hellenism. We look forward to a fantastic virtual convention and week in Greece, and are proud to have served the Sons!

Committee Report: National Project

We led the national project committee this past year. Unfortunately, our numbers had dwindled which caused the two of us to cooperate and create virtual ways to fundraise during this difficult time. Our main sources consisted of virtual events to the like of video game tournaments, sports brackets and fantasy sports to raise our funds for JED. Despite the hardship and difficulty to create in-person events, we managed to receive an ample amount of donations for our national project to help add to our total.

Liaison Reports: Districts 4, 5, 7, 8, 9

District 4: Pennsylvania

There are currently no active chapters in Pennsylvania, which I aim to change. I hope to find AHEPAns and other members of our Order so that we can revive the chapters in the state and strengthen our numbers in the Northeastern United States.

District 5: New Jersey

New Jersey chapters experienced a quiet start to the year due to state restrictions faced through the pandemic. However, they have recently begun to catch momentum with an emphasis on brotherhood. I am confident that my brothers in District 5 will continue to keep the pace going and orchestrate more meetings and events so they can return to normalcy through these tough times.

District 7: Connecticut & Rhode Island

In March 2021, I was proud to attend a long-awaited reactivation ceremony for our New Haven chapter. Newly named Constantinople has 10 brothers and already had worked tirelessly to both create fundraising events and recruit more Sons from their area. I am confident that this new, bright-minded, and ambitious group of Sons will spearhead a revival of District 7 and have been honored to serve as their liaison.

District 8: Massachusetts

Lowell continued with their strength in numbers regarding membership under their president Panagiotis Meltsakos. As for growth, Boston was revived in November 2020 to 8 young Sons.

Boston holds a dear place in my heart as the first chapter I activated, and I am intent on helping this district find its third chapter in the future. I would like to give special thanks to Pete and Jason Vergados, Mike Condakes, Dean Microtsikos,, John Ziamandanis and Lou Dakoyiannis for their help and hospitality during this reactivation. Onward and forward, brothers!

Liaison Reports: Districts 6, 17, 22, 24

District 6

Chapter: S005 – New Renaissance (New York) – In tandem efforts with Bayside, New York has been able to continue on with their chapter in both fundraising efforts and gathering as a group. They are very excited to be able to host events again, and to travel across North America to see their fellow brothers.

Chapter: S322 – New Rochelle (New Rochelle NY) – Covid wasn't easy for anyone in the state of New York, after being the hardest hit city in the USA, New Rochelle proved that the Sons as an organization will always persevere. Their continued efforts to meet and communicate with each other helped them get through these difficult times. In combined efforts with their AHEPA Chapter, they were able to host a fundraising event at their local church.

Chapter: S293 – Mountaineers (Bayside, NY) – Bayside continues to be a strong chapter, even in tough times. Their chapter didn't let covid get in the way of holding monthly meetings and getting together to discuss current events. They successfully hosted a Bouzoukia Night, hopefully a tradition in the making. Additionally, they hosted a March Madness Bracket tournament that brought much attention from all over the country. They certainly miss our basketball tournaments and can't wait to resume the normal sons events.

Chapter: S044 – Phocion (Albany) – The Albany Sons had a year with a variety of events that allowed for their brothers to stay close while being cognizant of Covid Precautions. They kicked off the year with paintball and helped their community with their annual fall clean up. They are blessed to have made it through such a difficult year and can't wait to resume their famous Valentines Day dance.

District 17

Chapter S083 – Rocky Mountain (Denver) – Denver continues to exemplify the meaning of brotherhood throughout their organization, Covid didn't stop them from gathering together and continuing their friendships. They are excited for things to fully open and be in attendance for national events.

District 22

Chapter: S043 Aristotle (Seattle) – Seattle is looking forward for life to open back up, Covid proved to be challenging but that didn't stop their chapter from hosting virtual meetings and getting together when possible. They look forward to defending their basketball title, hosting their Greek festival, and continuing to be a presence at events across north America.

District 24

Chapter: SCJ009 – Marathon (Calgary) – Calgary faced strict restrictions for most of the pandemic, with things shutting down as soon as they seemed to be opening up again. Aside from zoom meetings, the Calgary chapter really struggled to get any events going. Their annual caroling and

dodgeball tournament both had to be cancelled, but this didn't stop them from communicating with each other and getting together when allowed. Hopefully with things opening back up, their chapter can resume to their regular events.

Chapter: SCJ010 Winnipeg – Its been pretty strict lockdowns in Manitoba since the pandemic started, especially over the last few months as the rest of the world seems to gain traction. Their chapter still managed to do their annual movember event, a fundraiser that has proven to be successful. Additionally, they made super bowl scratch tickets, a new and interesting fundraising idea. I look forward to seeing this chapter continue to grow, as I know they have lots of potential.

Acknowledgements – Yiannis Kanatas

Tim Noitsis – To my first roommate at my first Son's event and my favorite person from Toronto, I applaud you for sticking out such a difficult year. I know over the past year we have faced much adversity and challenges with the pandemic. Especially being both from Canada, we faced additional hurdles along the way and hopefully things will start to resume back to normal. You saw potential in me from the beginning, and it kills me that this is the end of my road. I'm so proud to see you as our president, and hope you continue your hard work in all your future endeavors.

Ryan Marinos – Ryan, your enthusiasm and contagious laugh is what I will miss the most of working together. Since meeting you, I knew we'd be friends for a very long time. Sons aside, you are an amazing individual that can make me laugh at any moment. I can't wait to see your face on this side of the border and wish you all the best with your career and future aspirations.

Alec + Dino – Although our time may have been short lived together, I look forward to seeing you two progress throughout the lodge and utilize your skills to improve our organization. You two joined during a very difficult time and have shown your commitment to the sons in great ways. Don't be strangers, my door is always open for you to come visit Canada and the Meeses.

Paul Pavlakos – To my mentor not only in the Sons, but with many life situations over the past year. Your leadership, hard work and continued commitment to our organization is something I will never forget. Your passion for the organization is what drove me to be a part of the Sons on a larger scale. We have created some great memories, whether its sprinting across Disney or playing golf for the first time together. I hope one day you bring Opal to this side of the border, and I can't wait to show you my igloo.

Parents + Maria – Thank you for your continued support throughout this whole journey, I never imagined to be on lodge after we restarted our chapter here in Calgary over 10 years ago. Without you guys, I wouldn't be who I am today. I will miss you driving me to the airport every other week and telling you all about our trips.

Acknowledgements – Alec Economakis

Timothy Noitsis: Your knowledge and drive for the Order truly stands out, and I am grateful to have spent a year learning under your tutelage. It is unfortunate we as a lodge were unable to travel to meet in person for most of the year, but it has managed to work out despite the challenges. Tim, it has truly been a pleasure serving with you on lodge!

Ryan Marinos: The hard-working drive, quick-thinking and witty humor all combined to an amazingly well-rounded vice president term for you, Ryan. Your knowledge and experience in the Order and on lodge truly shows how deeply you care about every Son. I have enjoyed every late meeting, thinktank session and event we had attended together, and look forward to more in the future!

Dino Giallourakis: Dino, you were there when I was inducted into the Sons, and I feel that is a bond thicker than water. You never hesitated to help me whenever I had questions or concerns, and are always reliable when I need assistance. I can truly see how much the Sons mean to you through your work ethic, and I cannot think of a better Son to have learned from when I was once a chapter president in Tallahassee. Let's make this last year as a Son count and hit the ground running!

Yiannis Kanatas: Yiannis, you exemplify the true characteristics of a brother. You have continued to keep everyone in great spirits constantly, and I will miss your company on the lodge. You have taught me plenty during my year on lodge and I am grateful for everything you do for the Order.

Stephanie Maniatis: No matter what the situation may be, you always come through, thick or thin. Your impact cannot be measured, Stephanie! You are always so reliable and helpful, and I cannot thank you enough. Thank you for everything you do for us Stephanie, you are the best!

Maids Grand Lodge 2020-21: It has been a pleasure to cooperate with each and every one of my sisters this past year. I have learned many things from not just our own lodge, but from all of the Grand Lodge, of whom I cannot express how proud and grateful I am for their company. Thank you to the Maids, and I look forward to working together with you all in the future!

Proud to be a Son!

Maids of Athena Grand Treasurer Maria Kanatas

Dear AHEPA Family,

I would like to congratulate all members of the AHEPA family on a successful year as we slowly have resumed back to normal life. This upcoming year, I hope that all events can be held in person and we can all be together again as one big AHEPA family.

Committee Reports

National Project

For National Project this year, the MOA and SOP teamed up to sell t-shirts to support the JED Foundation. There was a switch from raffle tickets to t-shirts due to there being no in-person events hosted and the inability to send raffle tickets via mail. The mental health quote: “always know you are never alone” was printed on the back of the t-shirts in lime green and blue to represent both the colours of mental health and the JED Foundation. T-shirts were sold via pre-sale at \$30USD via the MOA website or purchased by check. Buyers received their t-shirts with a thank you card from the MOA and SOP for supporting the project. Over \$1100 was raised from the sale of the t-shirts.

Treasury Proposals

Looking back on the 2019-2020 year, the Grand Lodge spent the first few months brainstorming how to improve the organization in 2020-2021 and for years to come. As society has become more reliant on electronic forms of payment, it was time for the MOA Grand Lodge to make the transition as well. The MOA Grand lodge proposed being able to accept online payments through our website to support the selling of products through our online store, allowing Canadian members to pay their dues and obligations via PayPal to reduce the hassle and fees of producing a USD check, and buying a Square Card Reader for in-person events to be able to collect money via credit/debit cards and issue digital receipts via email at the point of sale. Our goal is to fully digitize the bulk of our paperwork in order to keep it better organized and make things easier for our membership.

Liaison Reports - Districts 7, 22, 23, 24, 26

District 7: Yankee (Connecticut, Rhode Island)

No active Chapters in this area.

District 22: Firwood (Washington, Oregon, and Alaska)

Sparta #1 Tacoma, WA

Chapter President: Zoe Matteson

Chapter Advisor: Helen McClure

Number of Members: 15

Number of New Initiates: 1

Tacoma had a successful year. Transitioning to virtual meetings allowed for most of Sparta's members to be in attendance throughout the year. They focused on giving back to their local community this year by hosting a fantastic virtual Christmas fundraiser to support a local food bank.

District 23: Beaver (Eastern Canada)

District Governor: Athena Bikas

Number of Chapters: 4

The District lodge was run very efficiently. Sweatshirts were sold throughout the district to support this year's district project, The Ronald McDonald House. The District lodge successfully hosted a virtual mid-year conference and convention to bring sisters throughout the district together. At the virtual District Convention, a new district lodge was elected; Sister Victoria Evagelou was elected as the new District Governor and will be serving the 2021/2022 year alongside Sister Athena Bikas, Sister Cristina Saavedra-Mamounis, Sister Christina Heropoulos, and Sister Falia Pantieras. Congratulations to the outgoing executive and District Governor Athena Bikas on an amazing year and a job well done.

Venus #13 Toronto, ON

Chapter President: Eleni Athanasopoulos

Chapter Advisor: Eleni Agas, Gloria Heropoulos

Number of Members: 20

Number of New Initiates: 9

Toronto thrived this year. The chapter constantly hosted social activities to keep its members involved. Venus 13 participated in Sister City, being paired with Houston, Texas. As part of getting to know their fellow sisters from Houston, they hosted a game night and participated in challenges together. Toronto was very successful in growing its membership this year with seven new initiates.

Electra #52 Montreal, QC

Chapter President: Antonia Macris

Chapter Advisor: Fotini Caragiannis, Emmanuella Lambropoulos

Number of Members: 7

Number of New Initiates: 1

Montreal had this newfound momentum this year. Electra 52 continued to build their relationship with their local DOP. In January they hosted a joint meeting with their local DOP to initiate dual members and cut a vasilopita. Montreal participated in Sister City with Tallahassee, Florida. The chapter focused on becoming more active on social media by promoting upcoming scholarships and posting more frequently.

Asteria #212 Ottawa, ON

Chapter President: Falia Pantieras

Chapter Advisor: Bessie Giovanopoulos

Number of Members: 18

Number of New Initiates: 7

Ottawa was very active this year. Asteria 212 embraced the virtual transition to the fullest extent by constantly planning socials. Ottawa focused on giving back to their local community this year by volunteering at the food bank and helping clean up the capitol. The chapter teamed up with their local DOP and created the Andres Andreadis Memorial Equipment Donation Fund in which proceeds went towards purchasing respiratory equipment for the Ottawa Hospital.

Clotho #252 London, ON

Chapter President: Anthoula Vilos

Chapter Advisor: Fani Martin, & Eona Karakacili

Number of Members: 12

Number of New Initiates: 0

London struggled to plan and execute events due to COVID-19. They hosted monthly meetings and activities such as baking and having Netflix parties as a chapter. The chapter remains optimistic towards the future as Ontario is allowing in-person social gatherings once again.

District 24: Royal Canadian (Western Canada)

Cassandra-Hera #185 Calgary, AB

Chapter President: Maria Liaridis

Chapter Advisor: Tina Liaridis, Helen Zarokostas

Number of Members: 25

Number of New Initiates: 2

Calgary had a phenomenal year. This year the chapter focused on giving back to the local community by volunteering, providing monetary and physical donations. Cassandra-Hera 185 hosted two fundraisers (selling sweatpants and a bake sale) to support their chapter project: Made by Momma. The chapter worked on becoming closer as a group but also with other members of the AHEPA family such as their local DOP, and their Sister City, Winnipeg.

Olympia #229 Winnipeg, MB

Chapter President: Alexandra Verras

Chapter Advisor: Katina Wall

Number of Members: 0

Number of New Initiates: 0

Olympia 229 had a social media presence and shared what they had accomplished as a chapter on their Instagram page. The chapter stopped responding to communication from the Grand Lodge in May. They faced many challenges due to COVID-19. I am looking forward to them coming back stronger next year.

District 26: British Columbia (Pacific Canada)

No Active Maids of Athena Chapters

February 26, 2021	Ottawa Valentine's Day Social
March 18, 2021	Calgary Visitation
May 15, 2020	Virtual District 23 Convention

Acknowledgments:

Mom, Dad, and Yian: Thank you for your continuous support throughout this past year. Yian, it has been awesome being the brother, sister, Canadian Treasurer duo for the past two years (even though we really never worked together, it's still cool to say). Mom and Dad, at least this year you didn't have to drive me to or pick me up from the airport at ridiculous hours of the night. Thank you all for being there constantly and listening to me ramble on. I love you!

MOA Lodge: Thank you all for the laughs, memories, and mentorship during these past two years. Theo, MAP, Mary, and Rigo, I've cherished the time we have spent together this year even though it was not in person. Our lodge calls may be lengthy, but they are always entertaining. I wish we were able to travel more together. Despite the circumstances of the pandemic, we were still able to get so much accomplished, and for that, I am truly proud of all of us. Each of us brings forth different strengths which makes this lodge team so incredible. I will miss not being part of this team, but I am very excited to see you all soon, in person at one of our amazing events. Love you all!

Maria Ana (Mapoula): Map, it's amazing to see how much our friendship has grown since we've been together on lodge. I appreciate all the support and mentorship you have given me these past two years, both in life and as a lodge officer. I cannot wait to see what great things you will do as president, as you are calm, cool, collected, and a natural-born leader! Love you!

Mary: Oh the two Canadians on lodge! Mary, I cannot wait to finally travel again with you next year! It is long overdue for us to be reunited. I cannot wait to see what you will accomplish as Vice President, as you did an amazing job as secretary this year (probably the best secretary ever). You and Map will be a powerhouse combo as President and Vice President! Love you!

Cassandra-Hera #185: To my home chapter, without you, my journey onto the MOA Grand Lodge would never have happened. I joined my home chapter eleven years ago and have been blessed since the very beginning to be part of such an amazing group of people. I am so proud to call Cassandra-Hera 185 my home chapter. You continue to amaze me with all your accomplishments. I cannot wait for what the future holds for each and every one of you, as well as the chapter. I wish you all the best and love you all!

Maids of Athena Grand Governor Rigopoula Nasopoulos

Committee Reports

MOA Book Club

The Maids of Athena Book Club was an AHEPA family wide activity that was well attended this year. We began the year off with a novel written by British-Cypriot author Alex Michaelides. The Silent Patient was a fantastic thriller that sparked great conversation between all those who participated. The story was inspired by Alcestis, one of Euripides's plays, in which the woman of the title agrees to die to save her husband. Our discussion sessions were well attended and enjoyable and many of us noticed the references to Greek mythology. Our second book was The Tattooist of Auschwitz by Heather Morris. The book tells the story of how Slovakian Jew Lale Sokolov, who was imprisoned at Auschwitz in 1942, fell in love with a girl he was tattooing at the concentration camp. It was an amazing story that I believe all our participants enjoyed. The book club was a nice addition to available activities we offer as an order and can hopefully become a permanent installation.

Flat Athena

Unfortunately, Flat Athena was unable to travel as much as she is used to this year but was still able to meet up with some of her sisters. She started off the year with our sisters in Northwest Indiana who showed her a great time. They explored the city and spent a lot of time experiencing college life. Her sisters hosted her at three different universities, and she enjoyed every second. Her next stop was in Chicago during Thanksgiving with the sisters of JACMA #40 who included her in some volunteer work which is one of her favorite things to do. Her last trip was to our Calgary chapter in Canada, and it was nothing short of amazing. Her sisters took her to some beautiful sites all over the city and, like everyone who hosts, were amazing tour guides. As we move into our upcoming year and chapters begin to function face to face, if possible, Flat A will have much more to report!

Liaison Report - Districts 6, 10, 12, 14

Empire District #6 (New York)

Sophia #48 - Albany, NY

Chapter President: Kristina Marinopoulos

Number of Members: 21

Number of New Initiates: 2

The Albany chapter has been, just like all chapters, impacted by the coronavirus but has remained pretty functional throughout the year and initiated two new members. The girls have continued the Opacize event with their local Daughters of Penelope but have specified in their progress report that future events depend on the progression of COVID-19. It is nice to see that the virus has not completely stalled them as it has done to most chapters. They held a rush event in the Fall where they went Apple Picking with their Sons chapter and participated in the Church's Drive through feast. In addition to offering their help at the Drive thru feast they also did so at the DOP's bake sale. Because of their participation in the bake sale their local DOP donated eight hundred dollars

for their chapter. The Bachelorette Fantasy League had a record number of sign-ups at forty-five people. The sign ups generated two hundred and twenty-five dollars, and in addition to that the girls were able to collect one hundred and ninety dollars in donations. With the money they were able to collect up until now they have donated to Life! and an organization called Love 146 which works toward the end of child trafficking and exploitation. They also bought new toys to give as presents for the children in the pediatric unit of the Albany Medical Center.

In comparison to other chapters Albany stayed pretty active up until mid-year but recently Albany has not been active. Transition of leadership difficulty is a consistent problem in our order, and Albany is not immune. Although they are a historical chapter in our order there are issues finding someone to step up and take the reins. The pandemic has limited our chapters in what they can do and that has affected everyone's confidence. It is difficult for someone to take on such a large responsibility and so the struggle is understandable. I have confidence that we will be able to find girls to team up and take on the challenge together as conversations continue.

Olga Moutselos #245 - Brooklyn, NY

Chapter President: Laina Tzanides

Number of Members: 33

Number of New Initiates: 3

The Brooklyn chapter has been doing a lot of internal work this year. Because we are currently on pause, in a sense, they have not been able to organize their usual events. The chapter is working with the Albany chapter on the Bachelor/Bachelorette Fantasy league which is doing well as described above in Albany's report. They are also taking part in a mini project called Wands for Wildlife where they collect old mascara wands to be donated. In addition to that they have collected over two hundred books to donate to various organizations. The chapter has been pushing hard for bonding especially since it is difficult to get together in person. They hold a fair number of virtual get-togethers in order to keep the spirit of the sisterhood alive. They have struggled with attendance the past couple of months, but in my personal experience there is always a lull after the holiday season. The girls continue to do their usual charity work with the church and lend a helping hand wherever it is needed. They most recently aided the Holy Cross Outreach program during their midnight run. This is a fairly large chapter, but President Laina has done a good job at keeping a decent number of girls excited even during this difficult time. The chapter has been in contact with their sister city of JACMA #40 in Chicago, and even held a Galentine's Day event with them. The contact has not been consistent, but they have intentions to continue to work together throughout the rest of the year. I know that the girls will continue to work on improving and strengthening their chapter, and that their future is bright. They need to work on including more of their members in order for them to flourish.

Our girls in Brooklyn ended the year off strong by making plenty of donations which included their local church of Holy Cross for Easter lambades, The Loveland Foundation, and the Ionian Village Tornado Fund. The chapter also organized a Brooklyn Maids of Athena Hike that allowed them to bond in person after a long hiatus. The chapter met monthly with an average attendance of twelve members out of the thirty-three total, but they have expressed the reason for the low attendance being the pandemic. Our Brooklyn chapter has shown no signs of slowing down and no lack of excitement. I cannot wait to see what they will accomplish next year.

Pygmalion #126 - Bayside/Flushing, NY

Chapter President: Evyenia Kontoulis

Number of Members: 21

Number of New Initiates: 2

Unfortunately, I have not received anything from our Flushing Chapter which is surprising. They are normally difficult to get a hold of, but they still send the necessary information when asked. I have reached out to their President and Vice President on multiple occasions asking them how they are doing. It has not been radio silence, but the conversations did not provide me with too much information. Earlier in the year they girls held a Halloween party that was very successful. It was well attended and a good time, but since then I have not seen much activity from the chapter. I have spoken with President Evyennia about girls that have been interested in the order, and also to Vice president Christina but I have not been updated on whether or not they were able to secure the girls as members. Normally, I would not be worried about this chapter because they are very autonomous, but transition of leadership may cause some issues next year.

This year the girls reached out to all inactive members asking if they would like to continue their membership. They were able to establish who their active members were and focus on those girls that were interested in participating. They started out the year with a very good foot forward but have continued this period of unprecedented silence. Contact with our Flushing chapter has been non-existent all year, and the end of the year has been no different. I have not received anything from them, and I find that extremely unfortunate. I have hopes that when the Fall season comes around that one of the current members will round up active members and recuperate. As a liaison from this district, I know many of these girls personally, and will be using my personal connections to try and motivate someone to take control.

Victory #76, Hempstead, NY

Chapter President: Demetra Menoudakos

Number of Members: 22

Number of New Initiates: 7

The Hempstead chapter has started out this year very strong, with new leadership and new members. Their President Demetra Menoudakos is very determined to provide a beneficial experience for the girls of her chapter, and she shows a lot of promise as a future leader in our order. They were very motivated to start the season off as strong as possible, and designed and sold Maids of Athena apparel. They sold \$550 worth of apparel and donated their profits to The Confetti Foundation which donates birthday boxes to children in hospitals. In addition to that they donated gifts to the children at Saint Basil's Academy for the Christmas season. This chapter has shown that they take action. They continuously stay in touch with me and keep me in the loop of their own volition. It is refreshing to see and also exciting.

Our Hempstead chapter hosted around one meeting a month with an average of ten members present out of twenty-two. They held two fundraisers this year to raise money for their chapter, and gain footing for the upcoming year and expressed that they have plans to do much more in the upcoming year.

Automotive District #10 (Michigan)

No Active Maids of Athena Chapters

Hoosier District #12 (Indiana)

Dionysia #141 - Hammond, IN

Chapter President:

Number of Members: 20

Number of New Initiates: 2

Our chapter in Indiana have faced some roadblocks but they have a passionate and communicative President that will strengthen the chapter. President Leila has reached out on multiple occasions for advice on low chapter attendance and how to resolve this issue. She shows that she cares and wants to make her chapter stronger. Besides the fact that the girls experience the issues that every chapter experiences they have done a fair amount during this period of corona. The chapter has donated to their local philoptochos for the purchasing of vasilopites, hosted Flat Athena, and held an initiation. Beyond that they are currently selling custom made masks with hopes to send half of the proceeds to benefit those affected by the earthquakes that occurred in Samos. They are also making Easter cards for residents of our local AHEPA apartments. Their goal is to make a total of 300 cards- one for each apartment. They have explained that the cards will be distributed sometime during Holy Week.

The chapter has organized community service for the future which includes the easter cards, and also volunteering with the church to clean the cemetery that has fallen into disarray. I do not foresee any issues with the chapter, as Leila still has interest in continuing her position as President. I have high hopes for them as I do for all the chapters I liaise with.

Blue Ribbon District #13 (Illinois, Missouri, Wisconsin)

JACMA #40 - Chicago, IL

Chapter President: Maria Ronstadt

Number of Members: 16

Number of New Initiates: N/A

Our Chicago chapter is led by hard working President Maria Ronstadt who has a solid executive board behind her. They have not been able to organize much, but what they have done is more beneficial to our order in my opinion. They have been able to meet consistently every month and share ideas about how they want to continue as a chapter, and what they want to achieve. But it is not all just conversation within their chapter. They have been able to team up with their local Sons chapter to take part in a thanksgiving event where they packed and distributed food to those in need. They have also hosted Flat Athena and started an Instagram campaign to sell their customized MOA pop sockets. As for their future as a chapter there is no question that there will be one. President Maria cares about our order and keeping the chapter intact. She is continuously working with her sisters toward more involvement and initiations.

Grainfield District #14 (Iowa, Minnesota, Nebraska, and South Dakota)

No Active Maids of Athena Chapters

Acknowledgements

Theo: Theo the first thing I want to say is a big, enormous thank you. Your dedication to our order is what motivated me to be as involved as possible and to give my all as a member of this board. You have tirelessly given your time and resources to every single aspect of this order starting with your presidential duties, but never ending there. As our President you took on the toughest role but you executed everything with dedication, grace, and seriousness. I am very much going to miss not only working with you, but spending time with you as corny as it sounds. You are a ray of sunshine and that is bright and loving but also fiery and passionate, sometimes extremely fiery haha. You have made my time on the board so far extremely enjoyable and unforgettable. We Love you Theo, thank you for everything.

Maria Ana: MAP CONGRATS on being nominated as our President-elect. I have every confidence that you will do an amazing job and continue in Theo's footsteps of bettering and strengthening our order. Not just because you are an amazing leader, but also because you care deeply and love our Sisterhood. You have never failed to lend a helping hand and offer advice and just give of yourself. I am beyond excited to start this next year off with you as our President, and will work as hard as I can not annoy you haha. Also making it a personal goal of mine to make sure that we tailgate a Jets vs. Eagles game this season. We have been talking about it for too long. It has to happen haha. Love you MAP!

Maria: Maria I am ecstatic that we will be working on the board again together next year. There is never a dull moment with you around, and that means a moment not riddled with sarcasm haha! But in all seriousness as I am stepping into the position that you held for the past two years I hope that I can do as good a job as you have. Hopefully you'll have enough patience to answer a couple questions for me throughout the year. It's been too long and I hope you can make your way down so that we could mess with each other in person haha. Love ya Pitcher!

Mary: Mary I have to say it has been a joy getting to know you on a professional level this year. You are an extremely dedicated member of our order and honestly are a prime example of how we are supposed to function as members of this lodge. I am so excited to continue working with you next year and having many more laughs hopefully in Seattle again haha.

Kathy: Kathy although you have been my only advisor I am absolutely positive that you will always be the best. Your unwavering support and confidence in us pushed us to do the best we can and I am truly appreciative of that. You have been a source of inspiration in our order, someone that each of us can turn to for anything. Always pointing us in the right direction with such positivity and reality, giving us guidance when we need it. I'm pretty sure that you already know you're fantastic, but in case you didn't, I'm telling you now. THANK YOU!

Maids of Athena Grand Advisor Kathy Leles

My second term as Grand Advisor to the Maids of Athena has come to an end and what a year it has been! As I reflect on what the pandemic forced us to do from the comforts of our home, that did not stop us from accomplishing the tasks at hand, focusing on the relationships we built and the goals we wanted to achieve.

As we continued our work during this exceptional circumstance, we adapted to meeting virtually with one another and encouraged our membership to do the same. The young ladies of the Maids of Athena Grand Lodge have done a remarkable job ensuring that their message of empowerment, involvement and educating the members of the Maids of Athena was constant. They continued to promote the MOA through various platforms such as Instagram and Facebook with contests, schedules and celebrations. I am in awe of their enthusiasm and dedication especially in their goals to activate new chapters, raise awareness on issues of importance, present proposals to the DOP Grand Lodge and support each other. Their theme was PERSISTENCE and they definitely showed it!

They continued to partner with the Sons of Pericles Grand Lodge to raise money for their joint project – the JED Foundation – by selling t-shirts and continuing their campaign to sell raffle tickets. The President’s Project – Girls Who Code – also continued this year and funds were generated through selling lipsticks.

Even though there were no events to travel to, I continued to assist, guide and support the Maids virtually with their fantastic ideas and projects at our Grand Lodge meetings, chapter reactivations and dual member initiations throughout the year. It was an honor and privilege to help reactivate chapters, initiate girls into the MOA & DOP, and represent the Maids through the many virtual travels these past two years.

I would be amiss if I did not thank my family and wonderful women of the Daughters of Penelope Grand Lodge for their love, kindness and continued support to guide five exceptional young women. Theodora, Maria Ana, Mary, Maria and Rigo, my sincerest gratitude goes to you for gratitude transforms common days into thanksgiving, turns routine jobs into joy and changes ordinary opportunities into blessings. The opportunity to work with you girls these past two years has truly been a blessing.

I look forward to the time in which we see each other in person and may the newly elected officers of the MOA Grand Lodge continue with the virtues and goals of the Maids of Athena in the year ahead.

In Pi Alpha,

Kathy Leles

Sons of Pericles Year in Recap

Everyone has said that this year has been a difficult year for our chapters and members to get things going. But throughout this year our chapters rose to the challenge and successfully put on several virtual and in-person events throughout the year.

August 8, 2020: Initiation of new members – West Palm Beach, FL

August 29, 2020: AHEPA Family District 2 Lodge Installation of Officers – Orlando, FL

September 6, 2020: Fantasy Football Draft – Virtual

September 29, 2020: Hermes Expo Sons of Pericles Cultural Committee presentation on The Greek Bicentennial: Honoring the Past by Building the Future – Virtual

September 30, 2020: SOP & MOA Governor's Conference Afterhours – Virtual

October 3, 2020: Governor's Conference – Virtual

October 27, 2020: Joint AHEPA Family Lodge Meeting – Virtual

November 7, 2020: Boston Chapter Reactivation Ceremony – Boston, MA

January 2, 2021: District 2 Lodge Meeting: How to SOP During Corona – Virtual

January 3, 2021: AHEPA Family Vasilopita Cutting – Virtual

January 4, 2021: MOA Book Club – Virtual

January 6, 2021: Epiphany Celebration – Tarpon Springs, FL

February 3, 2021: Ft. Lauderdale Chapter Meeting – Virtual

March 18, 2021: March Madness Tournament – Virtual

March 27, 2021: Greek Night – Clearwater Beach, FL

March 28, 2021: New Haven Chapter Reactivation Ceremony – New Haven, CT

April 25, 2021: Montreal Chapter Reactivation Ceremony – Virtual

May 4, 2021: District 23 Sons Meeting – Virtual

May 15, 2021: District 23 Convention – Virtual

June 5, 2021: District 1,3-8, 11, 12, 16,17, 20-24, 26 Conventions – Virtual

June 17-20, 2021: District 2 Convention – Mt. Dora, FL
